AL COHN QUINTET

AL COHN, Tenor Sax; NICK TRAVIS, Trumpet; MAX ROACH, Drums;
HORACE SILVER, Piano; CURLY RUSSELL, Bass.

I'M TELLIN' YA, JANE STREET, THAT'S WHAT YOU THINK,
AH-MOORE.

Here's Al Cohn wailing as you never heard him wail before. He leads the quintet in his arrangements of four new originals.

On trumpet Nick Travis, now a star in the Sauter-Finegan band, takes some amazing solos.

The rhythm section is star studded with Max Roach, today's top drummer, Horace Silver, a flashing new pianist, and Curly Russell, a solid rock on bass.

This is Al Cohn, "Mr. Music", as you like him.

GUS GRANT.
